

HISTORIC SAINT PAUL AND THE PAYNE PHALEN DISTRICT FIVE PLANNING COUNCIL PRESENT  
**FREE DESIGN SATURDAY – JUNE 14, 2008**

## Learn about the Architecture of your Home and Neighborhood

The Payne Phalen neighborhood is home to a rich collection of architectural styles: Italianate, Queen Anne, Colonial Revival, Victorian, Prairie Style and Vernacular. Which style does your home exemplify? How might you restore and enhance your home's original architectural features? **To find out, bring a photo\* of your home to Free Design Saturday!**

At the open house event, architects from Historic Saint Paul will be on hand to discuss the unique features of your home and sketch ideas for historically sensitive exterior improvements. You can also learn about financial and technical assistance available to help homeowners in Payne Phalen restore their older homes. Please join us for this fun and free event!

For more information, please contact Historic Saint Paul at (651) 222-3049 or the Payne-Phalen Planning Council at (651) 774-5234.

\*Please bring a large photo (8" x 10" is ideal) as larger photos are easier to view and sketch.

*Historic Saint Paul is a non-profit organization with the mission to preserve, protect and enhance the historic character of Saint Paul's neighborhoods. District Five's mission is to improve our Payne Phalen neighborhoods by engaging, educating and empowering all residents in our diverse community.*

**June 14, 2008 | 9:00am to Noon (open house) | Eastern District Police Department Meeting Room | 722 Payne Avenue (Payne & Minnehaha)**
